President of Math & Computing
Science Club

THIS IS MY **WORK HISTORY**.

Dec 2016 - Current
Freelance Web Developer

Oct 2015 - Nov 2016
Director of Digital @ Studio Tano
I led every digital effort for Studio Tano. From client requirements to production. Built brand management software using a BaaS and Vue.js. Clients included Watergate Hotel, Simply Tuscan and Bklyn House Hotel.

Feb 2012 - Sep 2015
Senior Web Developer @ MBLM NYC
I led several development efforts at the NYC based branding agency. Built out my toolkit extensively. A few clients I worked on are UL, SLS Hotels, Miami Worldcenter and American Airlines.

Jan 2011 - Jan 2012
Mobile Web Application Developer @ Mixpool, Inc.
I developed a mobile web version of an event planning platform as created by Mixpool. Leveraged CakePHP & jQuery Mobile as my main toolkit.
